Training in Ministry to Muslims

JOIN OUR INTERNSHIP TO LEARN HOW TO REACH OUT IN LOVE TO MUSLIMS.

TRAINING

Our training is for those who are serious about reaching out to Muslims, as well as for Muslim-background believers. We teach on Muslim beliefs, culture, evangelism, discipleship, leadership training, and church planting.

ONE - ON - ONE MENTORING

Participants receive one-on-one mentoring and coaching in conflict resolution, spirituality, and personal growth leading to maturity.

COMMUNITY LIVING

Participants live together in community like a family, serving one another. We have the capacity to host singles, couples, or a family.

WEEKLY MINISTRY TO MUSLIMS

There will be regular weekly outreach and discipleship opportunities with Muslims. Great hands-on experiences to put into practice what we are learning, with support and coaching.

TEAM LEADERS

Randy and Margo Hoffmann (CNMM Chairman) lead the ministry team and Internship Program.

The Greater Vancouver Area is home to over 180,000 Muslims:

Iranians, Arabs, Afghans, Ismailis, Pakistanis...

A Muslim family in the Vancouver area - waiting for friendship!
