

**Pastor Doug Christgau** is leading this new MedSend initiative.

Doug has led three successful church missions programs. All of them have been recognized in publications as leading missional churches. Doug has personally led over 100 short-term mission trips to 45 countries.

**Examples of the impact Doug has had within the local church:**

- Missions giving doubled or tripled in each church
- Strong involvement in both local and global missions
- 15 short-term teams sent annually, including senior pastor
- 1500 people committed to pray
- 40 long-termers sent over 35 years
- Missions identified as a highly impactful ministry in congregation survey

**OUR VISION**

To reach the world with compassionate care and the love of Christ by empowering committed, Christ-following healthcare professionals to minister and effectively care for those in the least served areas of the world.

**OUR MISSION**

In partnership with key Christian ministries, our mission is to strategically fund qualified healthcare professionals to serve the physical and spiritual needs of people around the world.

**OUR VALUES**

We seek to share the love of Christ through the administration of healthcare and the sharing of His Word to all people regardless of beliefs, behaviors, or principles. As an organization, we are committed to ethical and moral behaviors which conform to biblical norms.
